Subject: Training for Science Technicians in the use of the Data Loggers

ERDF Project: 'Purchase of Science and Technology Equipment for State Schools'

Training in the use of data loggers is being organized for Science technicians. This complements similar training presently being conducted for Science teachers. Training will be facilitated by foreign trainers provided by Fourier Systems Ltd, agents of Nova5000 data loggers.

Training is scheduled from 8.30 am to 12.30 pm as per table below:

Date	Venue for training	Science technicians at
Wednesday 2 nd June	St Clare's College, GJL, Pembroke (Sandhurst)	St Nicholas College
		St Margaret College
		Maria Regina College
		St Benedict College
		St Ignatius College
Thursday 3 rd June	St Clare's College GJL, Pembroke (Sandhurst)	St Theresa College
		St Clare's College
		St Gorg Preca College
		St Thomas More College

Alternative arrangements for Science technicians at Gozo College have been carried out. In a small number of schools where training sessions for Science teachers are presently being held, Science technicians are invited to attend training in their own school during one of the sessions.

Science technicians are asked to be punctual for the training. **Heads of School are kindly asked to email the names of the Science technicians who will be attending training to gaetano.bugeja@gov.mt at the earliest possible.**
